PROFESSIONAL SUMMARY

Industrial Engineering graduate from Universitas Singaperbangsa Karawang (GPA 3.50/4.00) with hands on HSE internship experience in construction, including safety inspections, safety inductions, toolbox meetings, Fit to Work checks, PPE and work permit monitoring, scaffolding and electrical panel tagging, near miss documentation, and HSE workforce database administration for approximately 4,800 workers. Skilled in preparing HSE reports and tracking corrective actions through close-out. Published a SINTA 4 accredited paper on Job Safety Analysis (JSA) and trained in ISO 45001, ISO 31000, SMK3 Audit, HSE Plan, and Lockout/Tagout (LOTO). Seeking to build a career in QHSE / HSE / SHE.

EDUCATION

Universitas Singaperbangsa Karawang Sep 2022 - Jul 2026

Bachelor Degree of Industrial Engineering, GPA: 3.50/4.00

Relevant Coursework: Occupational Health and Safety (OHS), Risk Management, Project Management, Ergonomics.

- Capstone Project: Designed an ergonomic multifunction welding table to improve the efficiency and safety of Shielded Metal Arc Welding (SMAW) operators, using the PDCA (Plan, Do, Check, Act) cycle.
- Publication: Published a SINTA 4 accredited paper, "Job Risk Analysis of Lightweight Brick Installation Using Scaffolding via Job Safety Analysis (JSA) Method", with control recommendations for each work stage.

WORK EXPERIENCE

PT Wijaya Karya (Persero) Tbk Dec 2024 - Feb 2025

HSE Intern, RSPON Cawang Project | Jakarta

- Conducted safety inductions for new workers and took part in daily Toolbox Meetings (TBM) to communicate site safety protocols and daily hazards.
- Assisted the HSE Admin in maintaining a project workforce database of approximately 4,800 workers across vendors, subcontractors, foremen, and their crews, covering safety induction status, certifications, and document completeness.
- Performed routine HSE inspections to identify unsafe conditions and unsafe actions across project work areas.
- Inspected Personal Protective Equipment (PPE) compliance and equipment integrity to maintain safe working conditions.
- Monitored adherence to work permit procedures and safe operating guidelines, including scaffolding work.
- Carried out scaffolding and electrical panel tagging with the HSE team to verify structural and electrical safety before use.
- Assisted in incident and near-miss investigations by gathering field data and documenting findings.
- Prepared daily HSE reports summarizing inspection results, safety observations, and corrective actions.
- Accompanied HSE Officers during site walks, observing OHS inspection checklist execution.
- Participated in Fit to Work procedures to assess workers' physical readiness (health conditions, fatigue, etc.) prior to starting work activities.

Cibubur Kardus Jul 2022 - Jun 2024

Customer Service & Staff | Bogor

- Served customers by handling inquiries, orders, and product requests to ensure high customer satisfaction.
- Prepared and packed products in accordance with customer orders and shipping specifications.
- Assisted with inbound and outbound inventory management, including inspecting and tracking product movement.
- Supported day-to-day business operations to maintain smooth customer service and order fulfillment.
- Issued invoices and assisted with daily transaction records.
- Maintained a clean, organized store area and applied safe material handling practices.
- Organized storage layout to make item retrieval and stock checking more efficient.
- Supported product promotion through social media or marketplaces to reach new customers.

COMMITTEE EXPERIENCE

Community Service Program (KKN) Jun 2025 - Aug 2025

PDD (Publication, Documentation & Decoration) Division Member

- Documented various community service activities through photo and video, and developed publication materials.
- Coordinated with committee members to prepare and deliver program information to local communities.
- Developed publication materials to promote program activities and communicate program information to local communities.
- Compiled activity documentation as supporting material for the final program report.

Information Systems Analysis & Design Practicum Nov 2024

Field Division Staff

- Prepared and coordinated vendors for video production needs.
- Arranged scheduling, technical execution, and equipment readiness for course learning objective (CPMK) video creation.
- Ensured equipment readiness before and during production.
- Coordinated with team members to keep the production on schedule.

Polling Station Working Committee (KPPS) Jan 2024

2024 Presidential Election Staff

- Administered voting and vote counting procedures while verifying voter data according to electoral regulations.
- Compiled official election reports and documentation accurately while coordinating with the team to ensure an orderly process.
- Carried out the vote-counting process transparently and accurately in accordance with the applicable procedures.
- Coordinated with team members to ensure an orderly and efficient voting process.
- Handled voter inquiries and helped maintain a smooth flow at the polling station.
