ABOUT ME

Bachelor's degree graduate in Industrial Engineering from Universitas Singaperbangsa Karawang with a GPA of 3.50/4.00 and hands-on HSE experience in the construction industry. Experienced in conducting safety inspections, safety patrols, safety inductions, toolbox meetings, PPE and work permit compliance monitoring, scaffolding and electrical panel tagging, and incident and near-miss investigation support. Skilled in preparing HSE reports and documentation, and in tracking findings and corrective actions through to close-out. Published a SINTA 4 accredited paper on Job Safety Analysis (JSA). Completed training in ISO 9001:2026, ISO 14001:2026, ISO 45001:2018, ISO 31000:2018, SMK3 Audit, General OHS, HSE Plan, and Lockout/Tagout (LOTO). Proficient in Microsoft Excel, Word, and PowerPoint. Seeking to build a career in QHSE / HSE / SHE, with a strong commitment to workplace safety, quality, environmental responsibility, and continuous improvement.

EDUCATION

Bachelor of Industrial Engineering, *Universitas Singaperbangsa Karawang* Sep 2022 – Jul 2026

GPA: 3.50/4.00

Relevant Coursework: Occupational Health and Safety (OHS), Risk Management, Project Management, Ergonomic, Production Planning and Control, Inventory Systems, Logistics and Supply Chain Management, Production Systems, Quality Control.

Achievement: Published a SINTA 4 accredited scientific paper titled “Job Risk Analysis of Lightweight Brick Installation Using Scaffolding via Job Safety Analysis (JSA) Method”, providing control recommendations for each work stage. Demonstrates hands-on capability in JSA preparation and OHS risk assessment (HIRADC) relevant to workplace safety programs.

WORK EXPERIENCE

PT Wijaya Karya (Persero) Tbk, *HSE (Internship)* Dec 2024 – Feb 2025

- Conducted safety inductions for new workers to ensure understanding of site safety protocols.
- Participated in daily Toolbox Meetings (TBM) prior to work execution to communicate safety briefings and daily site hazards.
- Performed routine HSE inspections to identify unsafe conditions and unsafe actions across project work areas.
- Inspected Personal Protective Equipment (PPE) compliance and equipment integrity to maintain safe working conditions.
- Monitored adherence to work permit procedures and safe operating guidelines, including scaffolding work.
- Assisted in incident and near-miss investigations by gathering field data and documenting findings.
- Prepared daily HSE reports summarizing inspection results, safety observations, and corrective actions.
- Managed new worker records using spreadsheets and assisted in the issuance and distribution of ID cards.
- Accompanied HSE Officers during site walks, observing OHS inspection checklist execution.
- Performed scaffolding tagging alongside the HSE team to ensure structural compliance with safety standards before use.
- Conducted electrical panel tagging with the HSE team to verify electrical installation safety.
- Participated in Fit to Work procedures to assess workers' physical readiness (health conditions, fatigue, etc.) prior to starting work activities.

Cibubur Kardus, *Customer Service & Staff (Family Business)* Jul 2022 – Jun 2024

- Served customers by handling inquiries, orders, and product requests to ensure high customer satisfaction.
- Prepared and packed products in accordance with customer orders and shipping specifications.
- Assisted with inbound and outbound inventory management, including inspecting and tracking product movement.
- Supported day-to-day business operations to maintain smooth customer service and order fulfillment.
- Issued invoices and assisted with daily transaction records.
- Maintained a clean, organized warehouse/store area and applied safe material-handling practices.
- Organized storage layout to make item retrieval and stock checking more efficient.
- Supported product promotion through social media or marketplaces to reach new customers.
- Prepared and updated price lists and product information for customer reference.

COMMITTEE EXPERIENCE

Community Service Program (KKN), *PDD Division Member* Jun 2025 – Aug 2025

- Documented various community service activities through photo and video, and developed publication materials.
- Coordinated with committee members to prepare and deliver program information to local communities.

Information Systems Analysis & Design Practicum, *Field Division Staff* Nov 2024

- Prepared and coordinated vendors for video production needs.
- Arranged scheduling, technical execution, and equipment readiness for course learning objective (CPMK) video creation.

Polling Station Working Committee (KPPS), *2024 Presidential Election Staff* Jan 2024

- Administered voting and vote-counting procedures while verifying voter data according to electoral regulations.
- Compiled official election reports and documentation accurately while coordinating with the team to ensure an orderly process.

CERTIFICATIONS & TRAINING

- General OHS Expert (AK3U) Competency Training - TUK Nagan Training (in cooperation with BNSP and LSP) 2026
- QHSE Management System, HSE Plan – PT Inspirasi Duta Energi Abadi 2026
- QHSE Management System, Lock Out/Tag Out (LOTO) – PT Inspirasi Duta Energi Abadi 2026
- QHSE Management System, ISO 31000:2018 – PT Inspirasi Duta Energi Abadi 2026
- QHSE Management System, ISO 45001:2018 – PT Inspirasi Duta Energi Abadi 2026
- QHSE Management System, ISO 14001:2026 – PT Inspirasi Duta Energi Abadi 2026
- QHSE Management System, ISO 9001:2026 – PT Inspirasi Duta Energi Abadi 2026
- Occupational Health and Safety Management System based on SNI ISO 45001:2018 – Badan Standardisasi Nasional 2026
- Risk Management based on SNI ISO 31000 – Badan Standardisasi Nasional 2026
- Basic Training on SMK3 Audit – HSE Update 2026
- TOEFL ITP, Score 460 – Universitas Singaperbangsa Karawang 2026
- Basic Training on General OHS – Dentech Corporation 2024

SKILLS

Software / Tools: Microsoft Excel, Microsoft Word, Microsoft PowerPoint, Google Workspace (Docs, Sheets, Drive), Canva, Draw.io, Figma, SPSS, Minitab, AutoCAD (Basic), SketchUp (Basic), SolidWorks (Basic), Adobe Photoshop (Basic).

Interpersonal Skills: Teamwork, Time Management, Consistency, Accountability, Problem Solving, Leadership, Cross-Functional Coordination.

Languages: Indonesian (Native), English (Professional Working Proficiency).
